

Fire Preparedness Workshop

The fire season is stretching longer and longer, and we must be as prepared as possible. With recent rain alleviating the current conditions, now is a good time to get ready for next year!

This presentation is geared toward Pastors, Principals, and Facilities Managers of Parishes and Schools to help with proper fire preparedness, but all are welcome!

**March 27th at 6:30PM at the Pastoral Center
3888 Paducah Drive, San Diego, 92117.**

Featuring:

**Brother James Lockman, OFM, Senior Restoration Ecologist at
Tierra Data Inc**

**Daniel Sullivan, student at Texas Tech in Plant & Soil Science
Catholic Mutual Insurance will be on hand to answer questions.**
