SAN DIEGO

EVANGELIZING IN THE DIGITAL WORLD

"Integrating Artificial Intelligence into Your Ministry"

We warmly invite you to take part in this formative and hands-on workshop where, for the first time, we will explore together the various tools that artificial intelligence offers in service of our ministries.

Through guided reflection and dialogue, we will engage key questions that can help strengthen your efforts in digital evangelization.

To fully participate in this experience an account with Canva, Facebook, Instagram and a laptop is required.

Presenter:
Leonardo Fonseca

WEDNESDAY, MAY 5, 2026

FREE EVENT
06:30PM - 08:30PM

Diocesan Pastoral Center
3888 Paducah Dr.
San Diego, CA 92117
