- Bring your parish/school/household Laudato Si' Action Plans as an offering in response to the "Cry of the Earth" and receive a blessing to continue in this ministry.
- Bring produce from your parish/school/home garden or your own backyard to share with our local foodbanks in response to the "Cry of the Poor," as we kick off Bishop Pham's new "Common Home Common Ground" initiative!
- A small reception will take place after Mass to acknowledge those who have taken Laudato Si' action this past year.
- Report your faith community action at bit.ly/LSAction25-26--no action is too big or small!
