Correlation of *Alive in Christ* School and Parish Edition Grade 7 & 8 (Single Volume)

This correlation of *Alive in Christ*, to San Diego's Religion Curriculum Guidelines provides page references from only the *Student Editions*, grades 7 & 8. Other program components offer additional opportunities for instruction and development of the guidelines. The *Catechist/Teacher Editions* include optional activities, scripture background, connections for liturgy links, and lectionary links and justice and peace.

Take Out: Family Faith on the Go, a monthly Family magazine, offers practical family touch points, Catholic conversation starters, family faith-builders with prayers, saints and the Sunday readings and positive reinforcement for deepening Catholic identity in the home. The *Alive in Christ* website (aliveinchrist.osv.com) provides additional class and family activities for the young person as well as a faith glossary; faith-sharing questions based on the Sunday cycle of readings; and supplemental instructional resources for the catechist or teacher to help implement word, worship, and service in the classroom.

Alive in Christ deepens children's experience of faith through song, with two unique components to meet diverse needs and developmental models. In some cases, this music is referenced.

Our Sunday Visitor has partnered with **Oregon Catholic Press** to provide music for children and catechists. This includes the *Alive in Christ* theme song and age-appropriate music for each grade at varying steps of the catechetical process.

Songs of Scripture: Deepening Children's Understanding of the Word of God is an original work of forty songs designed to teach and unfold the meaning of Scripture.

Songs from both of these resources may be sampled and downloaded at aliveinchrist.osv.com.

Unique to *Alive in Christ* Grade 7 & 8 and cited in the correlation are such features as:

- "Go to the Source" challenges the adolescent to go directly to Scripture and find out more about the passage.
- "In Summary: Catholics Believe" reiterates lesson objectives and key concepts presented in the chapter.
- "Where It Happened" explores the places where biblical or Church events took place and where the Saints lived and grew in holiness.
- "Catholic Faith Words" define core Catholic teachings and help the students know and articulate the teaching of the Church in precise theological language.
- "Catholics Today" introduces young people to customs, practices, and devotions of our Church as experienced and celebrated throughout the world.

- **“The Church History Timeline”** presents key people, places, and events in the Church’s growth and development, along with secular events that affected the course of Church history and the life and work of Catholics around the world.
- **“Live Your Faith Component”** develops the seven principles of Catholic Social teaching and is correlated to both seasonal and core chapters.
- The **“Our Catholic Tradition”** reference section presents information on our Creeds, Sacraments, prayers, and practices of our Catholic faith.
- **“The Big Question”**, which is often cited, is related to the chapter objectives and forecasts the learning in the unit. The Big Question is found on each Unit/ Our Catholic Tradition page.
- **Additional activities** such as **THE ESSENTIAL TEACHING ACTIVITIES** are found in the **DISCOVER** section of the on-line lesson planner. These activities provide further enrichment for the lesson.

Take Note: Each lesson begins with the invitation to encounter God’s Self-Revelation through his Word. In this reflection on a Scriptures passage, the teacher is directed to ask, “What did you hear God say to you today?” This helps the student listen for God’s Word and deepen their experience of His presence in their lives. Scripture is reflected upon, studied, prayed and applied in each lesson.
