

Dear _____,

As stated in the California Healthy Youth Act, I have exercised my right and responsibility as a _____ to review the content and materials pertaining to the sexual health education, HIV prevention education, and assessments related to the education that discusses human reproductive organs.

I _____, _____ of _____, choose to remove my child, from the following portions of the comprehensive sexual health education curriculum:

Thank you for your attention to this matter. Should any further questions arise, you may reach me at _____.

Sincerely,

Signature of Parent
